\* Economic organizations below the union-republic level of administration are not included.

<sup>†</sup> Industrial defense ministries are concerned primarily with the production of military and space machinery and equipment, but they also supply products to civilian clients. Industrial non-defense ministries, while largely serving the civilian economy, also produce items for the military and space sector.

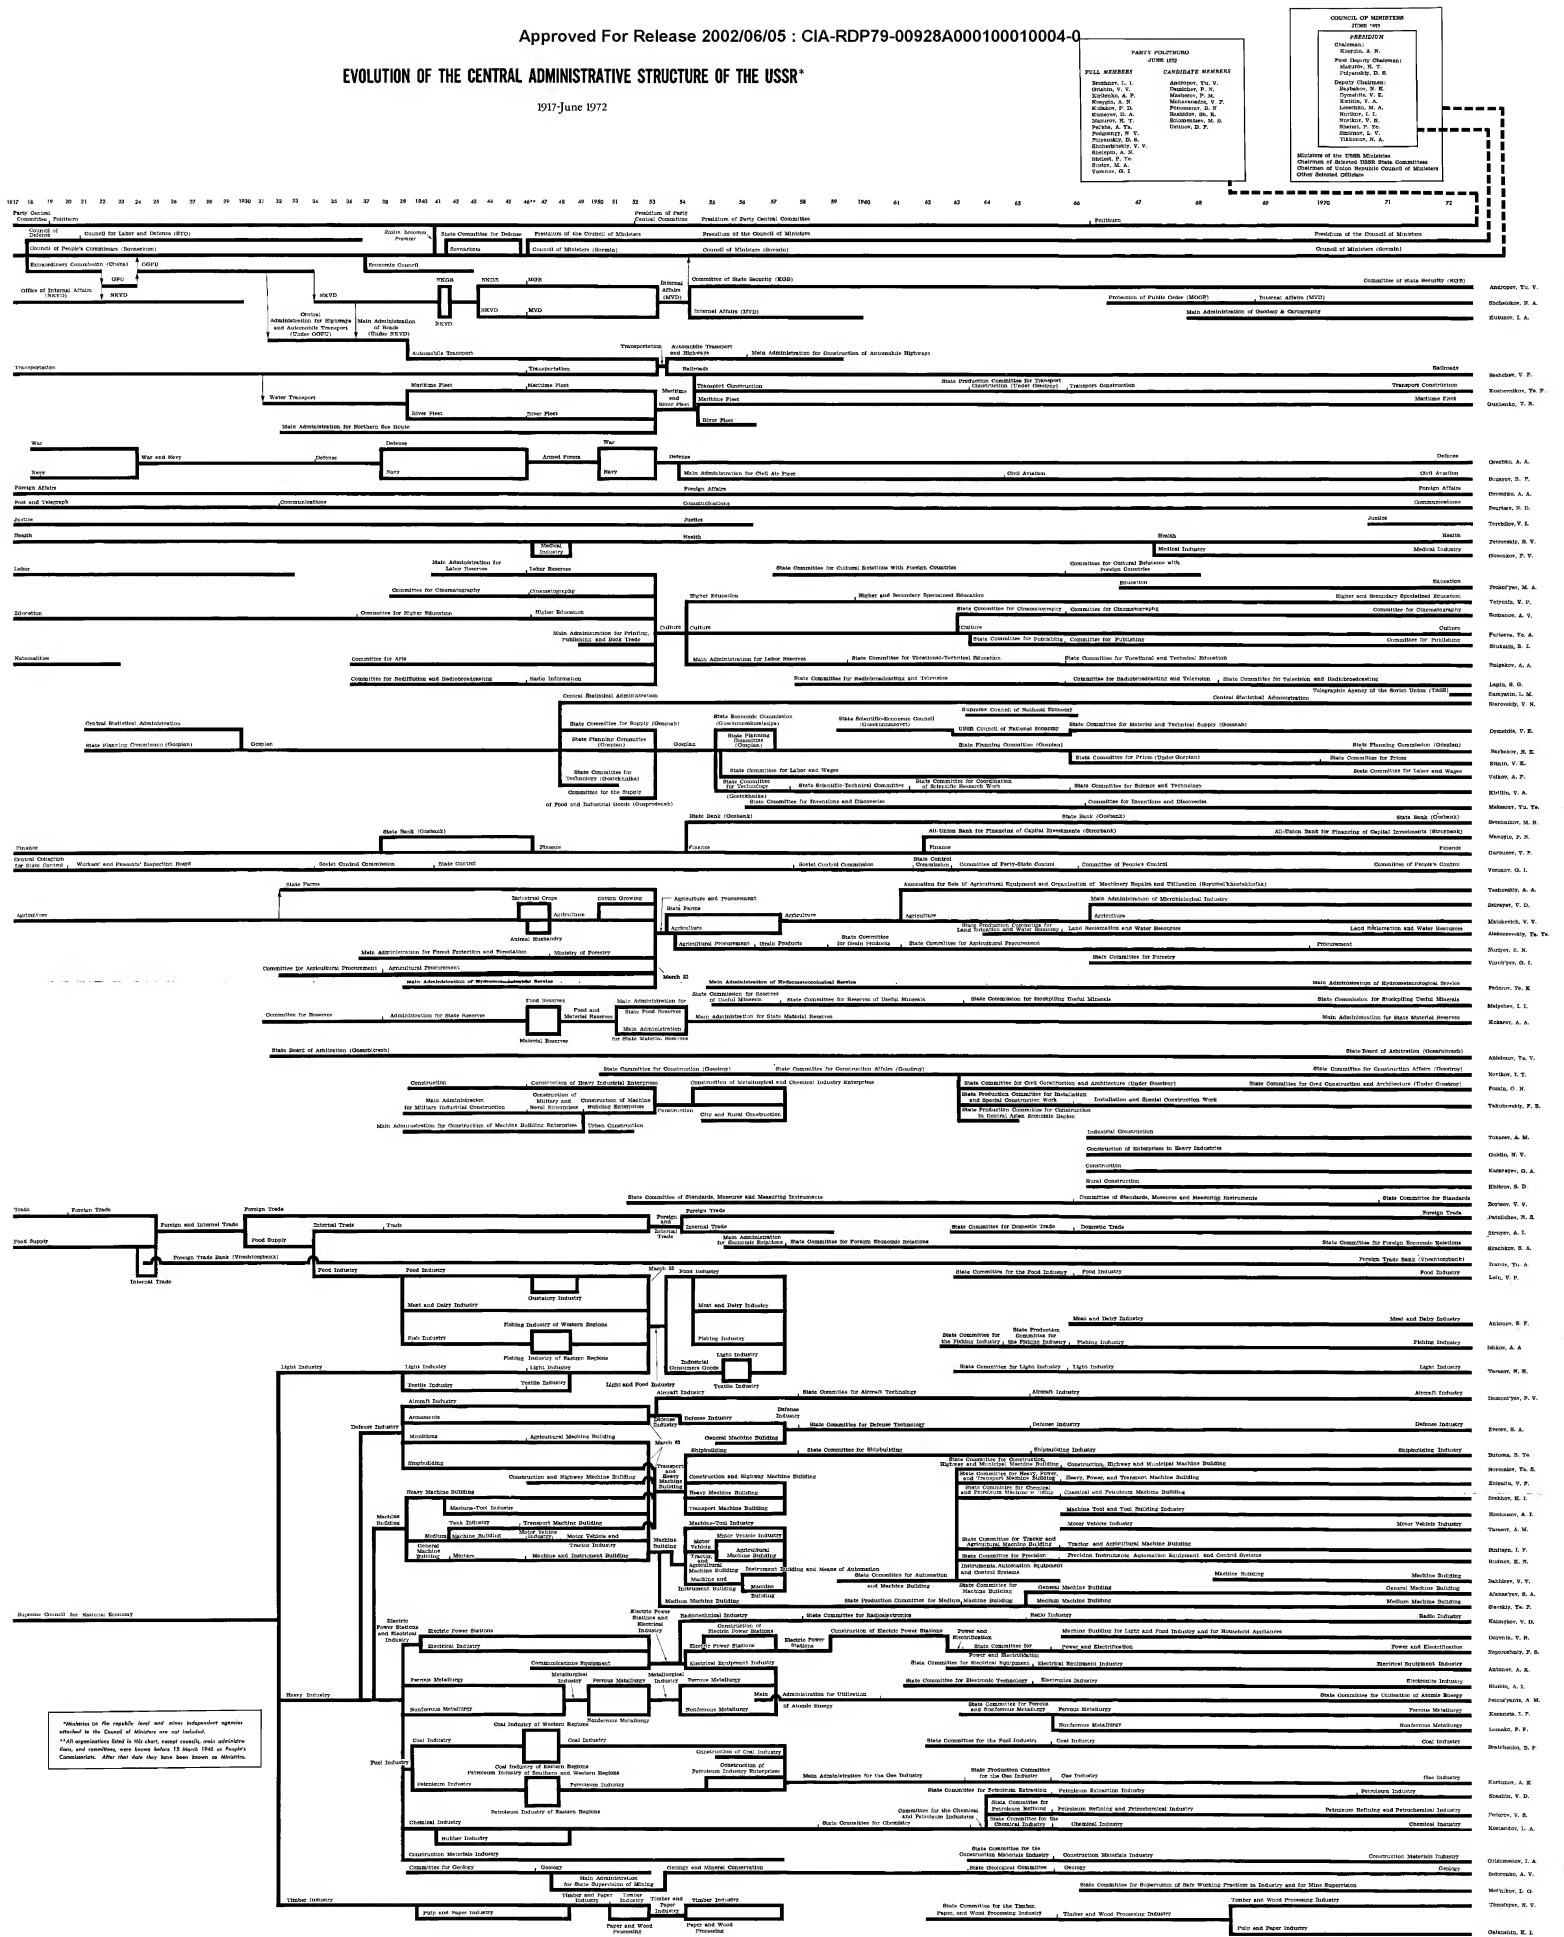

A-U: All-Union ministry  
(*Obshchесоюзnoye ministerstvo*)  
All-Union ministries administer branches of the economy having national importance and exercising centralized direction from Moscow.

U.R. Union-Republic ministry  
(Soyuzno-respublikanskoye ministerstvo)

Union-Republic ministries administer branches of the economy with important regional differences. Direction is exercised at the republic level subject to guidance and control by the ministerial headquarters in Moscow.
